

MODULE 17 Biosafety Cabinet Training. This CDC basic-level eLearning course provides information on the safe use of Class II biological safety cabinets (BSC). Topics covered include major parts of a BSC, how a BSC works, how to work safely inside a BSC, and what to do if there is an emergency while working in a BSC. Videos, interactive exercises, job aids, and a modifiable checklist template are included in the course to enhance the learning experience. Register and complete the course at: <https://www.cdc.gov/labtraining/training-courses/biological-safety-cabinets.html>.
